Dear Sir:

In the 1967 budget of the Humane Commission, the city council appropriated a total of \$8,756.00 to Item number 12-1-115, Kennel Man, under services personal.

This appropriation provides funds to pay salaries of two kennel men at an annual salary of \$4,378.00 each, which is the salary established by the 1967 salary ordinance.

The Humane Commission now requests that the job title of kennel man be abolished and that a new job title of kennel maintenance man be established. The new position calls for added responsibilities and in order to attract qualified personnel to fill this new position, the salary ordinance should be amended and an annual salary of \$5,200.00 per year be provided for.

Would you prepare the amendment to the salary ordinance and also an ordinance which would transfer \$5,200.00 from Item number 12-1-115 to Item number 12-1-116, kennel maintenance man, and also transfer \$3,556.00 from Account number 12-1-12, salaries and wages temporary, in the budget.

By this action we are transferring \$8,756.00 out of Account number 12-1-115 and appropriating \$5,200.00 to pay a salary of the kennel maintenance men, and also transfer the balance out of Account number 12-1-115 to the salaries and wages temporary account, which will enable the Humane Commission to hire part time help as it is needed.

Yours very truly,

I. H. McKathnie
City Controller
